WORKPLACE ENVIRONMENT

As most of you approach graduation and begin entering the workplace you will be met with many challenges and changes. The environments you will be joining each have there own organized cultures for you to adjust to but there are a few things you can learn to prepare you.

It is common for offices to have there own culture, the way things run and people communicate. Although it is hard to predict what that environment will be using tools such as empathy and perspective can help create a more comfortable environment for
